*Availability of music services may vary by region. Not all services may be available at time of purchase. Some services may be added or discontinued from time to time based on decisions of the music service providers or others. Visit www.HEOSbyDenon.com for announcements and details.

KEY FEATURES:

Created for those who demand the very best, HEOS 7 delivers room-filling sound even in large, open spaces.

The stylish and elegant enclosure is packed with advanced technologies, including dual mid-woofers, dual precision tweeters, an active subwoofer and dual passive radiators, and the active drivers are powered by five Class D digital amplifiers. Sound is optimized via a suite of precision DSP acoustical processing algorithms that originated in the recording studio.

- Refined cabinet design with genuine brushed metal accents
- Amazing volume output capability fills even larger spaces with true high fidelity sound
- FREE HEOS app
- Stream from your favorite music service such as Rhapsody, Pandora®, Spotify or TuneIn
- Stream music stored locally on your iOS or Android smartphone or tablet
- A USB jack and auxiliary 3.5 mm analog input jack allow playback from these sources to one or more HEOS players with perfect synchronization
- Built-in 3.5 mm headphone jack features auto speaker mute when headphones are connected
- Stream music from devices on your home network such as NAS drives and PC and Mac computers
- Built-in dual band wireless "N" connects to standard home wireless networks (this feature coming Aug 2014)
- Ethernet jack for wired network connectivity
